RE: "Pave the Way" Project

Hello Friends!

God has done great things at Odosagih Bible Conference in 2023. Throughout the year, God's Word was preached, His name was glorified, and Odosagih served as a place of peaceful relaxation where souls were restored and saints were refreshed. And in the meantime, God has continued to grow our programs, staff, and retreat schedule, and He's not finished with us yet.

Our next goal is to pave one of the main roads on our 66-acre campground. Recently named "Roger's Way", this road leads from our east entrance on Hazelmere past the Tabernacle and up to the Whitney Center parking area. Paving this stretch would improve safety and accessibility, especially for those with walkers, wheelchairs, and scooters. The current loose stone can be difficult for individuals with mobility issues, and this well-traveled road is used to walk from services and concerts in the Tabernacle to the Snack Shop and Fellowship Hall in the Whitney Activity Center.

We anticipate that paving will cost around \$40,000.00, and we humbly ask you to help. Lord willing, we hope to pave in Spring of 2024, in time for Memorial Day and the 2024 Summer Season.

Will you pray for this project? Will you consider giving? **Checks can be made payable to Odosagih Bible Conference and mailed to us. You can also donate by calling 716-353-8555 or going online at <https://www.odosagih.org/donate>.** Please designate "Pave the Way" when you give.

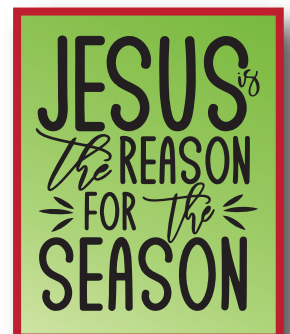

We are trusting that God will provide the funding before we begin, and we will only move forward as He blesses and allows us to do so. God graciously provided for the construction of the Whitney Activity Center, enabling us to complete the building without incurring a mortgage or any additional debt. We believe God can and will do that again for the "Pave the Way" Project.

Help us pave the way for all God wants to do at Odosagih Bible Conference in the coming year - all for His glory. We praise Him for what He's done and what He's going to do, and we thank you for being a part of it. **Merry Christmas and a Happy New Year to you and yours.**

In His Service,
