

December Update 2022

Greetings from Odosagih!

Winter wonderland has set in as we look to celebrate the wonder of God's perfect gift to us – John 3:16. Let us discover the unfathomable riches and joys of being part of His marvelous kingdom. The perfect gift he wants is our willingness to walk close to Him this December and forever after into eternity! We serve a living, loving God.

A friend once expressed her annoyance that traditional Christmas carols were not being sung in church. However, she realized what was expressed through music was “there is a Redeemer”, “Lamb of God” – concepts that were tied directly to the season of advent. Perhaps we can stop for a minute in front of our manger scenes and offer a prayer to Emmanuel, thanking Him for a certain aspect of His kingship.
